exhibits, bake sale, pie eating contest, cowboy roping tricks, raffle, face painting. Brenda Rhoades will be in charge of the arts and crafts booths. The booths will be in the parking lot between the school and library. They will be 10’ by 12’. Engine 87 from Sandy Valley will be coming for the day. Any funds raised will be put into the Goodsprings School fund. Commission Brager is coming for the dedication of the Yellow Pines railroad sign. WW II flyover is scheduled for 4:00 p.m. The County will supply the porta-potties. The Boy Scouts will sell hot dogs. Chris will check into a light for the flag pole in the cemetery and will have a press release for the event.

The Community Center building interior and maintenance was discussed. The contract for the new floor is in the works to hopefully be done before the September 24 event and is to be done by Cloud Carpet. There was a question regarding who is supposed to clean the inside of the building. Real Property Management is in charge of this area.

**CORRESPONDENCE**

The names of the CDAC representatives are to be submitted to the County by August 30, 2011. Liz will ask Ruth Rawlinson if she is interested in being part of this again. Ted said he would be the alternative again. The CAC will ratify Ruth Rawlinson and Ted Compton at the September meeting.

Chris Munhall read the letter that Joe Crank sent to be read into the meeting minutes. Liz Warren wanted the record to reflect that she resents Joe Crank’s aspersions attacking the CAC board.

Brite Source is behind the Hidden Hills Solar Energy Generating Plant project. There are 3,200 acres with transmission lines that will tie into our compressor station transmission station and the Kern River pipe lines. The gas from this is of great concern.

Public Works needs to be asked to put up signs on County right-of-ways under Title 12 – illegal to discharge firearms.

**CITIZENS ADVISORY COUNCIL MEMBER REPORTS**

.  
None

**STAFF REPORTS**

The Business License department is concerned about the long term pending status of the licenses for the Pioneer Saloon. They will be coming to visit Noel Sheckells at the Pioneer Saloon September 8<sup>th</sup> to try to better understand the issues behind this.

Southern Nevada Health District came out to the Pioneer Saloon and gave Noel Sheckells a cease and desist order on the use of the portable toilet facilities. He needs to apply for a permit and install an approved holding tank.

Republic Services is changing trash pick up to Wednesdays only starting August 31. The Sloan Transfer Station will be mothballed due to lack of development growth in the South County. Notices were to be sent to everyone by mail. No one seemed to get this notice. The free clean up day twice a year will continue.

Chris Munhall met with Ron Gregory, the County’s federal lands coordinator, to discuss what happened with the SNPLMA Round 12 funding and applications for Round 13. The Goodsprings Rails to Trails Project was one of two projects approved by the BCC and submitted to BLM in Round 12. Unfortunately, neither County project was funded. Round 13 starts September 12 and closes November 10. Ron Gregory proposed that the Goodsprings project be broken up into 2 phases so as to reduce the project cost below the \$500,000 threshold.

Chris will follow up on the replacement of roof tiles for the Post Office and the air conditioners that are to be replaced in the community center.

The County is required to adjust the Commission District boundaries every 10 years in conjunction with the census. The BCC has adopted new District boundaries, which was referred to as Plan C. Goodsprings is still in District F and Commissioner Brager is still our Commissioner.

**PUBLIC COMMENTS**

A suggestion was made about getting an outdoor Tuff shed for storage of chairs and other items.
